This notice informs you of the efforts we take to protect patient confidentiality. **In order to maintain an efficient check-in process, we ask that you have the following items upon your arrival:**

- 1 | Patient Registration**
- 2 | Health History Form (including complete list of current medications)**
- 3 | Patient Financial Policy**
- 4 | Insurance card(s)**
- 5 | Driver's license or photo I.D.**

Your examination will require dilation of your eyes unless otherwise notified, and may include diagnostic tests. **We do frequently see same-day emergencies, so please plan to spend at least two hours in our office.** If you are not comfortable driving after your eyes have been dilated, please make arrangements to have someone accompany you or arrange for alternate transportation.
